ABOUT SADA SYSTEMS

Founded in 2000, SADA Systems, Inc. is a privately-held global leader in providing cloud computing and strategic IT solutions to organizations worldwide. As a Google for Work Premier Partner, SADA Systems has proven expertise in enterprise consulting, cloud platform migration, custom application development, managed services, user adoption and change management.

Named Global Partner of the Year for Google Maps for 2014 and 2015, as well as 2013 North America Partner of the Year for Government, SADA has a successful track record of delivering all Google for Work cloud solutions, including Google Apps, Google Drive for Work, Google Cloud Platform, Chrome, Google Search for Work, and Google Maps for Work.

A FEW OF OUR CLIENTS

“

I have complete confidence in everything SADA System does; the migration was fantastic and everyone I worked with was fantastic.

”

DAVID HOLM,
Director of IT,
Aerotech
